

St. Rose School

Thank you for your interest in St. Rose School. The school opened in September of 1947. In 1988 the school opened the Kindergarten and in 1990 the Preschool opened its doors. Today we serve 130 students in Preschool through 8th grades.

Our faculty believes that building a strong foundation in academics is important and character building is essential. St. Rose School faculty and staff are dedicated to serving the needs of each student.

I would like to offer you important information on what you will receive from an education at St. Rose School.

- Values-based teaching grounded in the tradition of the Roman Catholic Church.
- Superior education positions your child for a lifetime of opportunity.
- Caring and supportive learning environment enhances your child's self-esteem.
- Daily activities touch your child's mind, body and spirit
- Safe, secure, and peaceful atmosphere of respect is re-enforced by discipline
- Open communication focuses on what's best for your child.

What else does St. Rose School have to offer?
