

## OUR ACADEMICS

The curriculum at St. Rose School is designed to challenge and motivate students to achieve academic success, while simultaneously building self-confidence, self-discipline, healthy work habits, and learning about God's plan for their lives.

At the heart of our curriculum is our religious program. We incorporate our religious values into all areas of the curriculum, including English, mathematics, reading, science, and social studies, with supporting classes in computer science, art, music, library, and physical education.

We believe that students need to have a strong foundation in their academics, while also having the skills to work effectively. Students are taught basic study skills and how to be more effective, productive members of a team.

The cornerstone of St. Rose School's academic curriculum is

- Certified veteran teachers with valuable experience inside and outside the classroom
- Our Reading textbook series incorporates the latest research for teaching language arts to
- Our Science Lab allows students to experience science, not just read about it.
- Science Fair provides an opportunity for those who have an interest in the field of science to extend their abilities beyond normal classroom activities.
- Our Computer Lab offers possibilities for the use of technology to support instruction in many different ways.
- Pre-Algebra and Algebra courses are offered to students in seventh and eighth grades
- Music, Art, and PE are regularly scheduled classes at all grade levels
- Tutoring is available for those children who need that little bit extra to be successful.
- Field trips enhance the curriculum and give the students a better understanding of the current topic.

The curriculum empowers St. Rose students with confidence, providing them the academic competence to excel at the high school level. Many graduates gain entrance into high school honors classes. St. Rose graduates leave equipped with a solid education, the discipline to be successful in their endeavors, and most importantly, with a sense of responsibility to others.
